We may use and disclose the personal information we collect for the business purposes described in the main Privacy Notice. These business purposes include:

- Providing and managing our services.
- Personalizing your experience on our Website.
- Improving our services.
- Conducting research and analysis.
- Responding to your requests and inquiries.
- Complying with legal and regulatory requirements.

Sharing of Personal Information

We may share your personal information with third parties for business purposes, as described in the main Privacy Notice. We do not sell your personal information to third parties.

Your CCPA Rights

Subject to certain exceptions, California residents have the following rights under the CCPA:

- **Right to Know** : You have the right to request information about the categories and specific pieces of personal information we have collected about you, as well as the categories of sources from which such information is collected, the purpose for collecting such information, and the categories of third parties with whom we share it.
- **Right to Delete** : You have the right to request the deletion of your personal information that we have collected from you, subject to certain exceptions.
- **Right to Opt-Out** : You have the right to opt-out of the sale of your personal information, even if we do not sell your personal information as defined under the CCPA.
- **Right to Non-Discrimination** : We will not discriminate against you for exercising your CCPA rights, such as denying you access to our services or charging you different prices.

Exercising Your CCPA Rights

To exercise your CCPA rights or request more information, please contact us using the contact details provided in the main Privacy Notice.

Verification Process

To protect your privacy and security, we will verify your identity before responding to your requests. We may request specific information to verify your identity, such as your name, email address, or other information we have on file about you. If you have an account with us, we may use that account for verification.

Authorized Agents

You may designate an authorized agent to make requests on your behalf. To do so, you and your authorized agent must provide appropriate documentation to verify your identity and the agent's authority.
